

IJCEO

Indian Journal of Clinical and Experimental Ophthalmology

Volume - 3, Issue - 1, Year - 2017 (www.ijceo.org)

Indian Journal of Clinical and Experimental Ophthalmology (IJCEO) is open access, a peer-reviewed medical journal, published quarterly, online, and in print, by the Innovative Education and Scientific Research Foundation (IESRF) since 2015. To fulfil our aim of rapid dissemination of knowledge, we publish articles 'Ahead of Print' on acceptance. In addition, the journal allows free access (Open Access) to its content, which is likely to attract more readers and citations of articles published in IJCEO.

Clinical profile of cataract patients with co-existent pseudoexfoliation syndrome 31-33

MB Dongre, Khaire BS, Bhalerao Ravindra

Association of diabetes and hypertension with primary open angle glaucoma 34-37

Jasmine Mary Jacob, Alice Mathew, Sheldon Goudinho

Severity and spatial distribution of visual field defects in primary glaucomas 38-41

K. Kalaivani

Glaucoma awareness in rural population – A hospital based study 42-44

Sudhir Babu Padgul, Pragna Rao D, G Amaresh

A clinical study of 6mm sutureless clear corneal incision in pre-existing astigmatism of 1D-2D in manual small incision cataract surgery 45-49

*Kavitha Chikkanayakanahalli Venugopal, Lakshmi Bomalapuram
Ramamurthy, Pavana Acharya, Sahana Raviraj*

Pattern of Glaucoma in Rural South India 50-52

Vijay Kumar Srivastava

Socio-demographic determinants of glaucoma medications compliance: A North Indian cross sectional study 53-56

Shweta Tripathi, Shakun Gupta, Varun Arora

Retrospective study of central serous chorioretinopathy in females at tertiary care hospital 57-60

Anbuselvi Thirunavukkarasu, Sangamithira Madhialagan

Photostress test as a predictor of macular dysfunction in patients with asymmetrical Age-related maculopathy 61-65

Bindu S, Jyothi PT, Padma B. Prabhu, Sandhya S

Study of retinal nerve fiber layer and foveal thickness in amblyopia 66-68

Shivam Sood, Amit Maitreya, Renu Dhasmana

Isolation of common fungi and treatment of mycotic keratitis 69-73

Jayashree S Shah, Satya Swapnika Y, MS Padma Jothi

Deep anterior lamellar keratoplasty in various indications and its comparison with penetrating keratoplasty 74-79

Manu Bhardwaj, Alka Gupta, Lokesh Kumar Singh, Bhaskar Dutt

Screening of colour vision deficiency in school children of Wardha District 80-84

Neha R. Chandak, Sachin V. Daigavane, Surabhi R. Sharma

KAP study on Diabetic Retinopathy amongst the paramedic nursing students 85-90

Niharika K. Shetty, Satya Swapnika

Clinical indications of penetrating keratoplasty in Punjab 91-95

Shakeen Singh, Pawan Prasher, Mandeep Kaur, Arushi Kakkar, Manish Chhabra

Comparative study of use of pharmacological agents vs mechanical stretching techniques in management of small pupil in manual small incision cataract surgery 96-101

DN Prakash, Swetha S, K Satish

Study of manual small incision cataract surgery (MSICS) for ideal size of central curvilinear capsulorhexis(CCC): 6mm or larger 102-106

Vasudha Damle, Rahul Agarwal

Observational comparative study to evaluate the efficacy of oral azithromycin and oral doxycycline in management of meibomian gland dysfunction 107-111

R N Kothari, Dipak B. Patel, Nirali Patel, Anjashi Patel, Toral Rajput

Pediatric cataract blindness management and outcomes in North East India – hospital based study 112-114

*Damaris Magdalene, Dhaval Patel, Akanksha Koul, Diva Kant Mishra,
Kalyan Das, Prabhjot Kaur*

Case Report:

Bilateral electric cataract: A rare case report 115-116

Ashok Madan, Mona Deshmukh, Bhushan A. Chaukhe

Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of **Innovative Publication Pvt. Ltd.** which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

Why MPRP?

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
