

IJCEO

Indian Journal of Clinical and Experimental Ophthalmology

Volume - 3, Issue - 4, Year - 2017 (www.ijceo.org)

Indian Journal of Clinical and Experimental Ophthalmology (IJCEO) is open access, a peer-reviewed medical journal, published quarterly, online, and in print, by the Innovative Education and Scientific Research Foundation (IESRF) since 2015. To fulfil our aim of rapid dissemination of knowledge, we publish articles 'Ahead of Print' on acceptance. In addition, the journal allows free access (Open Access) to its content, which is likely to attract more readers and citations of articles published in IJCEO.

Year-2017

CONTENTS

Editorial:

Glaucoma Burden: Indian Scenario 387-388

Rajendra P Maurya

Guest Editorial:

Some vital aspects in Glaucoma management 389-390

Dr. Barun K. Nayak

Original Article:

Analysis of effect of trabeculectomy in adult primary open angle glaucoma patients using spectral domain optical coherence tomography in Indian population 391-397

Udayaditya Mukhopadhyay, Nabanita Barua, Sangeeta Thakur

Prevalence of glaucoma in patients with obstructive sleep apnea 398-401

Sujithra H, Manoj Prathapan, Meenakshi Dhar, Vandhana Sundaram

Prevalence of POAG and PACG in patients attending Gujarat Adani Institute of Medical Science, Bhuj, Kutch 402-404

Atul Modesara, Kavita Parekh

Null:

Analysis of awareness and knowledge of glaucoma among employees of an Indian medical college and tertiary care hospital 405-411

Premnath G, Adnan Mohamed M, Manoj Vasudevan, Swathi

Original Article:

Evaluation of visual acuity and contrast sensitivity in patients of moderate to advance glaucoma with visual disability attending the low vision clinic 412-415

Praveen K Chaturvedi, Prashant Bhushan, Rajendra Prakash Maurya, Mahendra Kumar Singh, Virendra Prat

Inter ocular variability of common glaucoma parameters in patients with primary open angle glaucoma

Jyothi P., Sandhya S., Bindu

Evaluation of changes in IOP and anterior chamber parameters post laser iridotomy using pentacam system 419-421

Monika Kharbanda, Ishwar Singh, Sachin Walia, Harsimran Singh

Study on clinical evaluation of diabetic retinopathy by fundus fluorescein angiography 422-427

Pallamreddy Sree Lakshmi, G. Chandrasekhar, C.S. Sandhya

Comparison of ocular blood flow by doppler evaluation in middle aged type 2 diabetes patients with and without diabetic macular edema 428-435

Piyali Sarkar, Sripurna Ghosh

Association of severity of diabetic retinopathy with comorbidities in Type 2 diabetes mellitus 436-439

Arun Kumar Ayoor, Ranjini Kotancheri, Aligar Babu C, Swathi K

Clinical profile of herpes simplex viral keratitis cases attending eye opd in tertiary hospital of Chhattisgarh state 440-443

Abha Sinha, Somya Dulani

Clinical study to evaluate safety and efficacy of tacrolimus 0.1% eye ointment in treatment of vernal keratoconjunctivitis 444-449

Rajni Sethia, R N Kothari, Vivan Desai, Aditya Desai, Anjasi Patel

Comparison of conjunctival microflora in patients undergoing cataract surgery 450-453

Gautam Paul, Debadatta Dhar, Ankita Narula, Abhisek Mandal, Tshering Wangchuk Bhutia

Microbiological study in cases of corneal ulcer and clinical outcome 454-457

Hitesh Vyas, Mitul Patel

Prevalence of dry eye disease in patients on anti-depressants 458-461

Arun Kumar A, Irshad E, Jithu V P

Bacterial Keratitis: Risk factors, clinical and microbiological study at a tertiary care hospital- A two year study 462-466

Sreelakshmi Kothapalli, Gopala Krishna Ogirala, Jithendra Kandati

Correlation of onset of presbyopia with smoking habit: A hospital based study 467-469

Kavita Parekh, Atul Modesara

To compare surgically induced astigmatism in SICS using two different incision sites – superior vs. temporal – 470-475

Rohit Saxena, Poonam Kishore, Sandeep Saxena

Fundus fluorescein angiography in patients having diabetes with hypertension- An evaluation 476-479

Sangeeta Agarwal, Shika Singh

Visual outcome following cataract surgery in patients with traumatic cataract in a tertiary hospital, South India 480-484

Soumya Ramani, Thanuja G P, Divya D Sundaresh

Unique systematic school eye screening – can this be emulated? 485-487

Sulatha V Bhandary, Lavanya G Rao, Krishna Rao A, Sindhura Devi Adsumilli, Rohit Simha

Relation of myopia and retinal nerve fiber layer thickness: An ocular coherence tomography based study 488-490

Surohi Shah, Hemaxi Desai, Sanjeev Prasad, Krupali Raol

Changes in central corneal thickness (CCT) in children undergoing cataract surgery: A longitudinal prospective study at a tertiary eye care centre in Kolkata, West Bengal, India 491-494

Udayaditya Mukhopadhyay, Sreyangshi Biswas, Jayant Kumar

A study of awareness of diabetic retinopathy, knowledge about its effect on vision & treatment options among the diabetic patients visiting the ophthalmology department 495-499

Shruti P Hegde, Machireddy R Shekarreddy, Mohan Ram Kumar, Vijay Kautilya D

A study of the awareness of diabetic eye disease among diabetics 500-503

Yogish S. Kamath

Determination of ocular dominance and its association with handedness 504-506

Vani Puri, Amit Sethi

Serum C-reactive protein level and other risk factors in age related macular degeneration patients 507-512

Nirati Srivastava

Clinical profile and management outcome of orbital cellulitis in a tertiary care centre 513-517

Charushila Gajapati, R.D. Kulkarni, Nishant N.

A comparative study on pterygium excision and glue free limbal conjunctival autograft with and without suture 518-520

Shadakshari S.M

Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of [Innovative Publication Pvt. Ltd.](#) which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

Why MPRP?

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
