

# IJCEO

## Indian Journal of Clinical and Experimental Ophthalmology

**Volume - 6, Issue - 3, Year - 2020 ([www.ijceo.org](http://www.ijceo.org))**

Indian Journal of Clinical and Experimental Ophthalmology (IJCEO) is open access, a peer-reviewed medical journal, published quarterly, online, and in print, by the Innovative Education and Scientific Research Foundation (IESRF) since 2015. To fulfil our aim of rapid dissemination of knowledge, we publish articles 'Ahead of Print' on acceptance. In addition, the journal allows free access (Open Access) to its content, which is likely to attract more readers and citations of articles published in IJCEO.

Manuscripts more...

### Call for paper

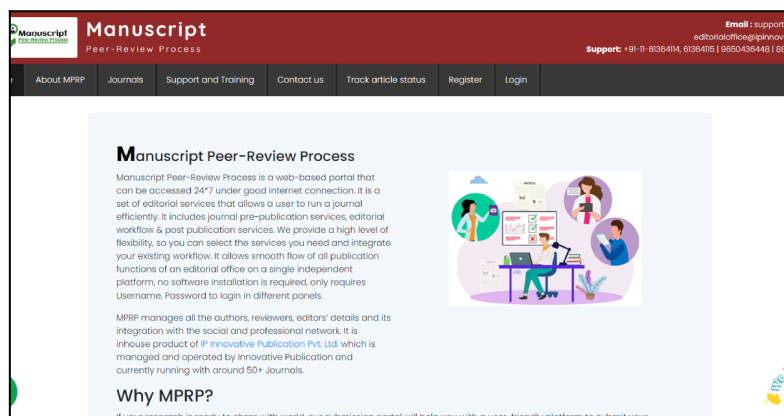

We cordially invite faculty, researchers, and scholars to submission of your valuable contribution to our Upcoming issues. It is a double-blind, peer-review, and Open Access (OA) journal and accepts manuscripts as research papers, review articles, case reports, short communication, etc.

### Manuscript Submission Guidelines

To submit your manuscript, first-time users click the Register button from the submission portal. If you are already a registered user, log in as an author and post your manuscript for further peer-review process. Manuscripts submitted for consideration and inclusion in upcoming issues must follow <https://www.ijceo.org/info/author> and be submitted by 2024-10-12.

Year-2020

## CONTENTS

### Editorial:

#### **COVID-19 and Ophthalmologists 312-314**

*Rajendra P Maurya*

### Review Article:

#### **Intraocular pressure measurement techniques: Current concepts and a review 315-323**

*Hemant Sharma, Sanjeev K Nainiwal, Akshay Sarraf, Rakesh Porwal, Vijaya Sharma*

### Original Article:

#### **Assessment of surgical outcome using simple limbal epithelial transplantation in patients of unilateral ocular surface chemical burn: Case series 324-328**

*S P Singh, Jitendra Singh, Kshama Dwivedi, K J Singh, Shivangi Singh*

#### **Comparison of change of corneal astigmatism in pre and post operated pterygium excision 329-332**

*Ram Kumar, Harish Kumar*

#### **Comparative study of surgically induced astigmatism following small incision cataract surgery with incision placed in superior and temporal meridian 333-337**

*Aparna Mandal, Piyali Sarkar, Payal Manna*

#### **Evaluation of ocular manifestations in Type 2 Diabetes mellitus 338-342**

*Deepa R, Anuradha P*

#### **Visual outcome following Nd: YAG laser capsulotomy in posterior capsular opacification in pseudophakic adult patients-a prospective observational study in a tertiary care centre 343-347**

*Piyali Sarkar, Tapati Baral, Kumares Chandra Sarkar*

#### **Evaluation of tear film in cases of rheumatoid arthritis 348-351**

*Kruti Shah, Vedant Murkey, Swapnagandha Halikar*

#### **Comparison of outcome between single site versus double site injection of peribulbar anaesthesia for cataract surgery 352-359**

*Anneshi R C, K Kanthamani, Mohan Kumar H, Sumanth I M, Manu Saini,  
Nithiya Joe Babu*

**To study the correlation between type 2 diabetes mellitus and central corneal thickness 360-362**  
*Prashanth C N, Varsha A*

**Prevalence of ocular morbidities in pediatric age group at a tertiary care hospital: A cross sectional study 363-368**  
*Mohite Uday Sheshrao, Kolte Devesh Janardan*

**Comparative evaluation of the severity of diabetic macular oedema in patients with and without metabolic syndrome 369-373**  
*Avnish Jangid, Sanjeev K Nainiwal, Rakesh Porwal*

**Role of topical ophthalmic solutions (0.1%) olopatadine hydrochloride and (0.05%) epinastine hydrochloride in vernal keratoconjunctivitis 374-378**  
*Tahir Husain Ansari, Yusuf Rizvi*

**Peribulbar anaesthesia or subtenon's anaesthesia: Which is better in manual sics 379-382**  
*Jayashree B, Praveen Kumar Sadanand*

**Prevalence of diabetic retinopathy: A tertiary care centre based study 383-386**  
*Rishi Mehta, Sharda Punjabi, Nutan Bedi*

**Knowledge, attitude and practice in diabetic retinopathy among patients with type 2 diabetes mellitus: A hospital based cross sectional study 387-390**  
*Soumya H V, Priyamvada P V, Rajendra R, Premnath Raman, Prabhakar S K*

**Prevalence of meibomian gland dysfunction in patient's who are prone to computer vision syndrome 391-394**  
*Prashant C N, Rohini Patil*

**Epidemiology of pediatric cataracts - A 5 year retrospective study 395-399**  
*Jayashree M P, Arathi Choudhary, Hamsa D S, Divya R, Raksha H V*

**A clinical study of patients with optic neuritis in a tertiary eyecare centre 400-405**  
*Anuradha A, Priyam Gupta, Vidyadevi M*

**To study the association of urine microalbumine and the severity of diabetic retinopathy among type II diabetics: A hospital based cross sectional study 406-409**  
*Sheldon J Goudinho, Jasmine M Jacob, Neethu Rollands*

**Peripapillary retinal nerve fibre layer thickness variation in refractive errors among adults 410-412**  
*Spoorthy S, Shruthi K P*

**Study on ocular morbidity prevalence and impact of digital display devices among school children 413-417**  
*Sridhara Reddy, Atul Kumar Singh*

**A comparison between retinoscopy and autorefraction in acceptance of subjective correction in school age children 418-421**  
*Sinchana Adyanthaya,*

**Accommodative parameter assessment in peri-presbyopic early onset diabetics with age matched healthy individuals - A case control study 422-428**  
*Sriya Sridhar, Sandhya Ramachandra*

**Patterns, etiology and surgical intervention in cases of epiphora referrals in a tertiary care centre 429-432**

*Rachna Agarwal, Shabari Pal, Amit Agarwal, Prabhakar Mishra, Vaibhav Kumar Jain*

**Intravitreal triamcinolone acetonide could be a first line medication for patients with DME in a community setting 433-439**

*Shubhangi T Shevale, G V Narendra, K Srinivasa Rao, V S Gurunadh*

**Comparison of the efficacy and safety of bepotastine besilate 1.5% and loteprednol etabonate 0.5% ophthalmic solution in patients of vernal keratoconjunctivitis 440-444**

*Utsav Deep, Ashish Chander, Priye Suman Rastogi, Munavvar Ansari*

**Factors influencing career choice among optometry students: A questionnaire-based study 445-448**

*Charugundla Abhilasha, Uma Kulkarni*

**Efficacy of amniotic membrane graft in ocular surface disorders 449-451**

*Rani Sujatha M A, Varsha A*

**Visual outcome and intraocular pressure control after cataract surgery in patients with lens induced glaucoma: A longitudinal study at a tertiary care centre 452-456**

*Mohite Uday Sheshrao, Gandhi Niyati Pankaj*

**A comparative study of graft stability, complication profiles and patient comfort among sutureless glue-free and sutured conjunctivo limbal autograft in pterygium surgery of Western Rajasthan 457-462**

*Tek Chand, Arvind Chauhan, Sarika Gaur*

**Case Report:**

---

**Ocular myocysticercosis: Atypical presentation with unilateral blepharoptosis 463-466**

*Aye Myat Mon, Yogita Rajbhandari, Ben Limbu, Rohit Saiju*

**Fulminant orbital cellulitis with compartment syndrome and vision loss due to streptococcus pyogenes: A case report 467-469**

*Pratima Chavhan, Nirupama Kasturi, Gayathri Panicker*

**Bilateral branched retinal vein occlusion in a patient on oral contraceptive pills: A case report 470-472**

*Parthapratim Roy, Saura Kamal Dutta*

**Extraocular cysticercosis - atypical involvement of Medial Rectus muscle: A case report 473-477**

*Nilanjan Kaushik Thakur, Shibashis Deb, Saura Kamal Dutta, Subhashish Deb, Dharmendra Kumar*

### Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24\*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of [Innovative Publication Pvt. Ltd.](#) which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

### Why MPRP?

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
