

IJCEO

Indian Journal of Clinical and Experimental Ophthalmology

Volume - 2, Issue - 4, Year - 2016 (www.ijceo.org)

Indian Journal of Clinical and Experimental Ophthalmology (IJCEO) is open access, a peer-reviewed medical journal, published quarterly, online, and in print, by the Innovative Education and Scientific Research Foundation (IESRF) since 2015. To fulfil our aim of rapid dissemination of knowledge, we publish articles 'Ahead of Print' on acceptance. In addition, the journal allows free access (Open Access) to its content, which is likely to attract more readers and citations of articles published in IJCEO.

Volume - 2

Issue - 4

Year-2016

CONTENTS

Editorial:

Advances in phakic posterior chamber lenses 285-286

Rajendra P Maurya

Original Article:

Analysis of the effects of cataract surgery on corneal sensation variation after SICS and phacoemulsification 287-289

Anbarasi AC, Divya N, Subhashini M, Sutapa Das, Kaviraj Mahadevan

Central corneal thickness: Correlation with intraocular pressure and disease severity in primary open angle glaucoma 290-294

Bindu S, Jyothi P.T, Aswathy.P

Treatment of advanced white cataracts with manual small incision cataract surgery: a prospective study 295-298

Anitha S. Maiya, Akshatha M. Dharmesh

A cross sectional study on clinico microbiological profile of patients with fungal corneal ulcer attending a tertiary care hospital of Shimoga district, Karnataka 299-303

Poonam A. Jiragyal

A study of prevalence and characteristics of glaucoma in pseudo exfoliation syndrome 304-308

Gnanaselvan Joseph, Anbuselvi Thirunavukkarasu

To compare the effectiveness of prednisolone versus bromfenac in controlling the ocular inflammation after cataract surgery 309-311

Jitender Phogat, Sumit Sachdeva, Sumit Khanduja, Manisha Rathi, Nikunj Bhatt

Evaluation of efficacy of amniotic membrane in preventing failures in external dacryocystorhinostomy 312-317

Chitra Pujar, Jayashree M.P, Nanditha A.M

A comparative study of endothelial cell loss in cataract surgery: small incision cataract surgery

versus phacoemulsification 318-322

Tejinder Kaur, Karamjit Singh, Inderjit Kaur, Prempal Kaur, Dharamvir Chalia

Prospective clinical study on visual outcome following uveitis 323-326

Raja Rengaraj, Thailnayaki Vellaichamy

Comparison of postoperative cystoid macular edema in manual SICS vs phacoemulsification 327-331

Navreet Kaur, Sachin Walia, Kamalinder Kaur, Ramandeep Kaur, Ekta Singla

Informed consent for cataract surgery—what is best practice? 332-336

Ziya Siddiqui, Atika Javed Siddiqui, Ali Jafar Abedi, Adeeb Alam Khan

Importance of estimation of inflammatory marker (MMP 9) in tear film of dry eye patients 337-340

Dipak Bhuyan, HN Hazarika, Bonomita Neogi, Sujit Addya

Epidemiology and pattern of motorcycle accident related ocular injuries in a rural tertiary care hospital in Eastern India 341-344

Debabrata Das, Somedeb Gupta

Proportion of dry eye disease and its clinical profile in patients presenting with ocular surface symptoms to the ophthalmology OPD of a tertiary care centre in South India over a period of one year 345-349

Jisha Kamalakshy, Nandini K, Vijayamma N, Rajesh PS

Comparison of three different techniques for fixation of conjunctival autograft in pterygium surgery 350-355

Sumita Karandikar, Nita Shanbhag, Nupur Bhatt, Lanin Chen

Penetrating ocular trauma and visual outcome clinical study 356-359

Mohammed Ather, Rahmatunissa, Goli Sridhar, T. Sai Shreya, Irshad Ahmed Siddiqui

Prediction of severity of intraoperative haemorrhage during external dacryocystorhinostomy upon body- type (physique) rating - a pioneering study 360-364

Parthasarathi Roy, Asim Chakrabarti

The results of pars plana vitrectomy in the fresh endophthalmitis cases of post cataract surgery in a tertiary hospital 365-369

Manmohan Bhanot, JS Chahal, Preet Sood

Glaucoma awareness in undiagnosed literate individuals attending routine eye clinic at a tertiary care center 370-372

Saroj Gupta, Prisha Rishi

Efficacy of topical tropicamide 1% versus a combination of tropicamide 0.8% and phenylephrine 5% for cycloplegia 373-377

Siddesh Kumar H, B Rajendra

A comparative study on the intraocular pressure among diabetic and non-diabetic patients 378-380

NP Vidhya, Sutapa Das, R. Priyadarshini, M. Subashini, Kaviraj Mahadevan

Analysis of amblyopia in ametropic patients in rural India 381-383

Vijay Kumar Srivastava

Effect of retinal laser photocoagulation on contrast sensitivity in diabetic retinopathy 384-386

Shairin Jahan, Abdul Waris, RR Sukul, Rahul Gupta

To evaluate the effect of intravitreal bevacizumab, macular grid laser and both in combination in patients of clinically significant macular edema 387-390

Gunjan Prakash, Ashwini G, Himanshu Kumar Yadav, Neeraj A Awasthi

To study the surgical outcomes of external dacryocystorhinostomy (Trepine Vs Punch): a comparative retrospective study 391-394

Sanjeev Kumar, Prakash Kumar, Bimal Chandra

Correlation of diabetic retinopathy with hypertension 395-397

Waris A, Ansari NN

Case Report:

Valsalva retinopathy managed surgically by 25 gauge pars plana vitrectomy: A case report 398-399

Manmath Das, Abhishek Varshney, Priyanka Chaudhary

Managing delayed onset postoperative Pseudomonas aeruginosa endophthalmitis 400-402

Sikander AK Lodhi, Afia Mirza, P. Ramdas, Pervaiz Hussain

Manuscript Peer-Review Process

Manuscript Peer-Review Process is a web-based portal that can be accessed 24*7 under good internet connection. It is a set of editorial services that allows a user to run a journal efficiently. It includes journal pre-publication services, editorial workflow & post publication services. We provide a high level of flexibility, so you can select the services you need and integrate your existing workflow. It allows smooth flow of all publication functions of an editorial office on a single independent platform, no software installation is required, only requires Username, Password to login in different panels.

MPRP manages all the authors, reviewers, editors' details and its integration with the social and professional network. It is inhouse product of **Innovative Publication Pvt. Ltd.** which is managed and operated by Innovative Publication and currently running with around 50+ Journals.

Why MPRP?

If your research is ready to share with world, our submission portal will help you with a user-friendly platform to submit your
